

October 31, 2019

Dear HelpMeSee Friends,

With much regret, HelpMeSee will be suspending the activities of our Hong Kong Fundraising and Development Office on December 31, 2019. This decision was due to the uncertainty of a viable operation for HelpMeSee in Hong Kong.

With effect from November 1st, HelpMeSee Hong Kong will suspend accepting new donations and stop processing all existing recurrent monthly donations. We will be sending out donation receipts through email and mail. We would like to assure you that all gifts made to our organization will be used in accordance with donors' wishes and in compliance with Hong Kong laws.

Even though the Hong Kong office is closing, we are continuing our Manual Small Incision Cataract Surgery (MSICS) training programs using the HelpMeSee Eye Surgery Simulators worldwide. We appreciate your past support to help make this happen. If you would like to continue supporting our mission to eradicate cataract blindness for the underserved communities and to receive the latest news on our work, please kindly visit our global website <https://helpmesees.org>, which is managed by our global office in New York, United States.

The decision to suspend the HelpMeSee operations in Hong Kong was not easy. It was neither a reflection of the talent of our Hong Kong team nor your support. We thank our employees for their dedication and hard work in the furtherance of the HelpMeSee mission. We are immensely grateful for your support to date.

Please feel free to contact Vincent Lo at vincent@helpmesees.org or Kelly Tong at kelly@helpmesees.org if you have questions or concerns regarding this matter.

With sincerity,

A handwritten signature in black ink, appearing to read "Jacob Mohan Thazhathu".

JACOB MOHAN THAZHATHU
PRESIDENT AND CEO
